APPLICANT STATEMENT

1. I hereby certify that all responses set forth during my employment application process are true and complete. My signature also authorizes Italianette, if they elect to exercise this right, to conduct a thorough investigation of all statements, written or oral, made by me during the employment application process, including without limitation, information concerning my prior employment positions, and educational background.
2. I understand and agree that any falsification, misrepresentation, or omission either on the employment application form or in my responses to questions asked during the interviewing or examination process may disqualify me from further consideration for employment, or if employed by Italianette, will subject me to immediate termination, whenever the falsification or omission is discovered. In this regard, where an item is left blank on the employment application, it is because there is no information within its scope.
3. I understand that currently, Italianette does not require a chemical test for the presence of illegal and/or controlled substances, but could become necessary, and/or required during my employment. I release and agree to indemnify Italianette, its authorized agents, from any and all liability arising out of any chemical testing or for the taking of any action based on the results of any chemical testing.
4. I certify that I am a citizen of the United States, or, if not, I can provide required documentation permitting me to work in the United States.
5. I understand and agree if I am employed by Italianette, my employment is at-will so that I may terminate my employment at any time and for any or no reason. Likewise, Italianette can terminate my employment at any time, with or without notice, and for any or no reason. I also understand and agree that nothing contained in Italianette's employment application or in the granting or conducting of an interview or anything set forth in any oral or written statement, communication, or policy now or in the future constitutes or is intended to constitute or to create a contract between me and Italianette for either employment or for the providing of benefits. No promises regarding employment have been made to me and I understand and agree that no such promise or guarantee is binding on Italianette unless they are expressed promises, made in writing.
